Global Past, Present and Future Challenges in Risk Assessment – Strengthening Consumer Health Protection

From November 30th to December 1st 2017 a *Joint International Symposium* hosted by the National Institute of Food and Drug Safety Evaluation (NIFDS, Republic of Korea), the Agency for Food, Environmental and Occupational Health & Safety (ANSES, France), the National Food Institute, Technical University of Denmark (DTU, Denmark) and the German Federal Institute for Risk Assessment (BfR, Germany) will take place at the BfR.

In an ever more interconnected world international cooperation is becoming increasingly important. In light of the BfR's 15th anniversary, we therefore want to invite you to jointly look back on the last one and a half decades of risk assessment.

Furthermore, we want to discuss current activities and future issues in consumer health protection on national and international levels such as microbiological agents, chemical substances, methodologies and harmonisation.

A poster session on current topics in risk assessment and a poster award will moreover provide the opportunity to actively engage in the conference.

Venue

German Federal Institute for Risk Assessment (BfR)
Diedersdorfer Weg 1
12277 Berlin, Germany

Directions:

www.bfr.bund.de/en/location-marienfelde.html

Destination stop (www.bahn.de, www.bvg.de/en)
“Nahmitzer Damm/Marienfelder Allee (Berlin)”

Registration

Please register online by 24.11.2017 on the website of the BfR Academy:
www.bfr-akademie.de/english/joint-international-symposium.html

The event is free of charge.

Accreditation

The event was recognized by the German Academy for Advanced Veterinary Training as an advanced training course.

Thursday 30th November 2017

Registration and Coffee

8:00–9:00 am

Opening

9:00–9:15 am

Welcome and opening remarks from BfR

Prof. Dr Dr Andreas Hensel, BfR, Germany

9:15–9:25 am

Opening remarks from NIFDS

Dr Sunhee Lee, NIFDS, Republic of Korea

9:25–9:35 am

Opening remarks from ANSES

Dr Roger Genet, ANSES, France

9:35–9:45 am

Opening remarks from DTU

Dr Flemming Bager, DTU, Denmark

Past

Chair: Prof. Dr Dr Andreas Hensel, BfR

9:45–10:30 am

2002 – A new dawn in European food safety

Prof. Dr Tony Hardy, European Food Safety Authority, EFSA

10:30–11:00 am

Microbiological threats: how have Germany and France responded to the crisis with enterohemorrhagic *E. coli* (EHEC) and what about the future?

Dr Elisabeth Hauser, BfR, Germany

Dr Patrick Fach, ANSES, France

11:00–11:30 am

The fascinating world of analytical chemistry – a continuing story of contaminants in food

Prof. Dr Jørn Smedsgaard, DTU, Denmark

11:30 am–1:00 pm

Lunch

Thursday 30th November 2017

Present

Parallel sessions 1:00–3:50 pm			Poster session 3:50–6:00 pm
Session A: Microbiological safety	Session B: Chemical safety	Session C: Methodologies and harmonisation	Poster session: Current topics in risk assessment
Chair: Dr Sara Pires, DTU	Chair: Dr Meekyung Kim, NIFDS	Chair: Prof. Dr Gérard Lasfargues, ANSES	With coffee
1:00–1:30 pm Antimicrobial resistance I: Situation and strategies in Europe <i>Dr Sofia Duarte, DTU, Denmark</i>	1:00–1:30 pm Endocrine disruptors: EU-criteria and guidance document <i>Dr Vera Ritz, Dr Philip Marx-Stölting, BfR, Germany</i>	1:00–1:30 pm Data challenges to improve dietary exposure assessments <i>Sisse Fagt, DTU, Denmark Dr Oliver Lindtner, BfR, Germany Dr Chris Roth, ANSES, France</i>	
1:30–2:00 pm Antimicrobial resistance II: Situation and strategies in the Republic of Korea <i>Dr Soo Hwan Suh, NIFDS, Republic of Korea</i>	1:30–2:00 pm Risk assessment of aflatoxins <i>Prof. Dr Hyang Sook Chun, NIFDS, Republic of Korea</i>	1:30–2:00 pm Mixtures prioritisation based on exposure and hazard <i>Dr Amélie Crépet, ANSES, France</i>	
2:00–2:30 pm Emerging pathogens: foodborne viruses <i>Prof. Dr Reimar Johne, BfR, Germany</i>	2:00–2:30 pm Facing new facts: marine biotoxins as a challenge for seafood safety <i>Dr Charlotte Grastilleur, ANSES, France</i>	2:00–2:30 pm Lessons learned from recent food fraud in Korea <i>Young-Ho Koh, NIFDS, Republic of Korea</i>	
2:30–2:50 pm <i>Coffee</i>	2:30–2:50 pm <i>Coffee</i>	2:30–2:50 pm <i>Coffee</i>	
2:50–3:20 pm Microbial food safety in the age of whole genome sequencing <i>Maria Borowiak, BfR, Germany</i>	2:50–3:20 pm Analytical challenges for nanomaterials in risk assessment <i>Dr Katrin Löschner, DTU, Denmark</i>	2:50–3:20 pm How to build a crystal ball – the art of emerging risk identification <i>Dr Tobin Robinson, European Food Safety Authority, EFSA</i>	
3:20–3:50 pm Contribution of whole genome sequencing to source attribution of campylobacteriosis in France <i>Amandine Thépault, ANSES, France</i>	3:20–3:50 pm Fighting unknown chemicals: analytical strategies for risk prioritization <i>Eelco Pieke, DTU, Denmark</i>	3:20–3:50 pm Risk-benefit assessment of foods <i>Dr Maarten Nauta, DTU, Denmark</i>	

Dinner 6:00 pm

Friday 1st December 2017

Registration and Coffee

8:00–9:00 am

Future

Chair: Dr Antje Grobe, Dialog Basis

Tools and methods

9:00–9:45 am

Keynote: Using 21st century science to improve risk-related evaluations

Dr Ellen Mantus, National Academy of Sciences, USA

9:45–10:05 am

**Introduction of the data management and risk assessment program:
its application and expected effects on risk assessment for the future**

Dr Myung-Sil Hwang, NIFDS, Republic of Korea

10:05–10:25 am

Risk assessment modelling and knowledge integration platform

Matthias Filter, BfR, Germany

10:25–11:00 am

Coffee

Societal challenges

11:00–11:20 am

**Linking risk and sustainability assessment to meet current and future challenges
in circular economy, food safety, and consumer protection**

Prof. Dr Peter Fantke, DTU Management, Denmark

11:20–11:40 am

Trust in science, interaction with stakeholders and risk communication

Prof. Dr Gérard Lasfargues, ANSES, France

11:40 am–12:00 pm

Globalised markets – local risk assessment?

Prof. Dr Dr Andreas Hensel, BfR, Germany

Poster award

12:00–12:15 pm

Prof. Dr Dr Andreas Hensel, BfR, Germany

Panel discussion

12:15–13:00 pm

Future challenges and solutions in risk assessment

Dr Ellen Mantus, National Academy of Sciences, USA

Dr Meekyung Kim, NIFDS, Republic of Korea

Prof. Dr Peter Fantke, DTU Management, Denmark

Dr Charlotte Grastilleur, ANSES, France

Prof. Dr Dr Andreas Hensel, BfR, Germany

Conclusion and farewell

13:00–13:15 pm

Prof. Dr Dr Andreas Hensel, BfR, Germany
