

Monday, 16 August, 2021

6:30 am – 7:00 am (UTC)

Welcoming

Professor Dr Tanja Schwerdtle, Vice President, BfR

7:00 am – 7:30 am

Introduction of participants

Team Summer Academy

7:30 am – 8:30 am

Legal and institutional background of food safety in Germany and Europe

Niklas Schulze Icking, German Federal Ministry of Food and Agriculture

8:30 am – 9:00 am break

9:00 am – 10:00 am

Introduction risk assessment I

Professor Dr Matthias Greiner, BfR

10:00 am – 11:00 am

Introduction risk assessment II

PD Dr Christine Müller-Graf, BfR

Tuesday, 17 August, 2021

6:30 am – 7:30 am

Introduction dietary exposure estimation I

Dr Christian Jung, BfR

7:30 am – 8:30 am

Introduction dietary exposure estimation II

Anna Kolbaum, BfR

8:30 am – 9:00 am Coffee break

9:00 am – 10:00 am

BfR MEAL Study – First Total Diet Study for Germany

Dr Irmela Sarvan, BfR

10:00 am – 11:00 am

Dietary assessment methods - Theory and examples from KiESEL

Nicole Nowak, BfR

Wednesday, 18 August, 2021

6:30 am – 7:30 am

Microbiological risk assessment with a focus on antimicrobial resistance

PD Dr Bernd-Alois Tenhagen, BfR

7:30 am – 8:30 am

Foodborne infections and the impact of globalisation

Dr Anja Buschulte, BfR

8:30 am – 9:00 am break

9:00 am – 10:00 am

Overview on software tools for predictive microbial modelling and quantitative microbial risk assessment (QMRA)

Matthias Filter, BfR

10:00 am – 11:00 am

Using models for microbial source attribution and microbial risk assessment

Dr Guido Correia Carreira, BfR

Thursday, 19 August, 2021

6:30 am – 7:30 am

The toxicological evaluation of pesticides

Dr Glenn Lurman, BfR

7:30 am – 8:30 am

Health risk assessment of chemical contaminants in the food chain

Dr Ulrike Pabel, BfR

8:30 am – 9:00 am break

9:00 am – 10:00 am

Food contamination by plasticizer I

Suna Nicolai, PD Dr Sebastian Zellmer, BfR

10:00 am – 11:00 am

Food contamination by plasticizer II

Suna Nicolai, PD Dr Sebastian Zellmer, BfR

Friday, 20 August, 2021

6:30 am – 7:30 am

Introduction Risk Communication I

Dr Ann-Kathrin Lindemann, Dr Frederic Müller, BfR

7:30 am – 8:30 am

Introduction Risk Communication II

Dr Ann-Kathrin Lindemann, Dr Frederic Müller, BfR

8:30 am – 9:00 am break

9:00 am – 10:00 am

Risk Communication - Creative strategies for managing uncertainties

Claudio Canales Ríos, Chilean Agency for food Safety and Quality

10:00 am – 11:00 am

Farewell

PD Dr Gaby-Fleur Böl, BfR

Monday, 23 August, 2021

11:30 am – 12:00 pm (UTC)

Welcoming

Professor Dr Tanja Schwerdtle, Vice President, BfR

12:00 pm – 12:30 pm

Introduction of participants

Team Summer Academy

12:30 pm – 1:30 pm

Legal and institutional background of food safety in Germany and Europe

Niklas Schulze Icking, German Federal Ministry of Food and Agriculture

1:30 pm – 2:00 pm break

2:00 pm – 3:00 pm

Introduction risk assessment I

Professor Dr Matthias Greiner, BfR

3:00 pm – 4:00 pm

Introduction risk assessment II

PD Dr Christine Müller-Graf, BfR

Tuesday, 24 August, 2021

11:30 am – 12:30 pm

Introduction dietary exposure estimation I

Dr Christian Jung, BfR

12:30 pm – 1:30 pm

Introduction dietary exposure estimation II

Anna Kolbaum, BfR

1:30 pm – 2:00 pm Coffee break

2:00 pm – 3:00 pm

BfR MEAL Study – First Total Diet Study for Germany

Dr Irmela Sarvan, BfR

3:00 pm – 4:00 pm

Dietary assessment methods - Theory and examples from KiESEL

Nicole Nowak, BfR

Wednesday, 25 August, 2021

11:30 am – 12:30 pm

Microbiological risk assessment with a focus on antimicrobial resistance

PD Dr Bernd-Alois Tenhagen, BfR

12:30 pm – 1:30 pm

Foodborne infections and the impact of globalisation

Dr Anja Buschulte, BfR

1:30 pm – 2:00 pm break

2:00 pm – 3:00 pm

Overview on software tools for predictive microbial modelling and quantitative microbial risk assessment (QMRA)

Matthias Filter, BfR

3:00 pm – 4:00 pm

Using models for microbial source attribution and microbial risk assessment

Dr Guido Correia Carreira, BfR

Thursday, 26 August, 2021

11:30 am – 12:30 pm

The toxicological evaluation of pesticides

Dr Glenn Lurman, BfR

12:30 pm – 1:30 pm

Health risk assessment of chemical contaminants in the food chain

Dr Ulrike Pabel, BfR

1:30 pm – 2:00 pm break

2:00 pm – 3:00 pm

Food contamination by plasticizer I

Suna Nicolai, PD Dr Sebastian Zellmer, BfR

3:00 pm – 4:00 pm

Food contamination by plasticizer II

Suna Nicolai, PD Dr Sebastian Zellmer, BfR

Friday, 27 August, 2021

11:30 am – 12:30 pm

Introduction Risk Communication I

Dr Ann-Kathrin Lindemann, Dr Frederic Müller, BfR

12:30 pm – 1:30 pm

Introduction Risk Communication I

Dr Ann-Kathrin Lindemann, Dr Frederic Müller, BfR

1:30 pm – 2:00 pm break

2:00 pm – 3:00 pm

Risk Communication - Creative strategies for managing uncertainties

Claudio Canales Ríos, Chilean Agency for food Safety and Quality

3:00 pm – 4:00 pm

Farewell

PD Dr Gaby-Fleur Böhl, BfR
